

### Changes to Go live by 8<sup>th</sup> Jan 2024

- Font >> bookMan Old Style
  - Try different logo file type for clear appearance
  - Update Contact Menu as Contact Us
  - Replace with "We Believe that "Together we can conserve more Water" for our sustainable future."
  - Replace with "Let's bring prosperity together!"
- 
- Under the Documentary add this  
"This is a small documentary on mission 500's work. The voiceover for the documentary is given by Shri Amitabh Baachhan. Mission 500's Paach Patil team acknowledges his contribution in the expansion of this people's movement."
  - Remove three Images Under Documentary add below 2 images Horizontally

### SUSTAINABLE DEVELOPMENT GOALS

**Ensure availability  
and sustainable  
management of water  
and sanitation for all**

Add this notes under the Images

"Mission 500 is working towards the fulfilment of Sustainable development goals which were adopted by United Nations in the year 2015, which is a blueprint to achieve a better and more sustainable future for all."

Hyperlink this on above note "<https://www.un.org/sustainabledevelopment/sustainable-development-goals/>"

- Remove "Every drop counts, save and surmount! "
- Remove "

- Add New Partner "Economic and Welfare Trust of Maharashtra Chemist and Druggist Association

Rename Our Team submenu as - Our Paach Patil Team and add on top as first paragraph"

"Mission 500: A Team of Water Warriors

In a world plagued by water scarcity and environmental challenges, a dedicated group of individuals came together in 2017 in Chalisgaon Taluka of Jalgaon district of Maharashtra, to form "Mission 500," a remarkable water conservation movement with the audacious goal of creating 500 million liters of water storage. This team of water warriors is on a mission to inspire change, promote sustainable practices, and raise awareness about the critical importance of water conservation.

- Rename About us Submenu as Our Philosophy.
- Update as > Our Vision, Mission and Goals
- Observation -> Journey - 2018 is too much left aligned on MAC book - need to check if anything about screen resolution or so.
- Update Project Main Menu to "Projects"
- Add Project Summary Table on Home Page : Above Documentary
- Under Project - Water Conservation >
  - 1st - Keep Table as is
  - 2nd - Add Per KPI Trend Line Chart
  - 3rd - Maintain Map as is but make following changes
    - Map - Color - Beed District

Add A Note: below map :

"Government of Maharashtra has renamed 'Aurangabad' district as 'Chhatrapati Sambhajnagar' and 'Osmanabad' as 'Dharashiv'.
